

AMSI CAREERS DAY 2026 SPONSORSHIP

Connect with Australia's Top Mathematical Sciences Talent

Thursday 22 January 2026 | 11.30am-2.30pm

Monash University, Clayton campus

ss.amsi.org.au/careers-day

AMSI Careers Day is an annual event held in conjunction with [AMSI Summer School](#), bringing together exceptional mathematical sciences students and leading employers of mathematics, statistics, and data science graduates. The event provides a platform for students to explore diverse career opportunities beyond academia, learn about key industry skills, and engage directly with potential employers. For organisations, it offers access to a pool of top-tier talent from across Australia.

Following the success of our previous events in Sydney, Canberra and Melbourne, AMSI Careers Day return to Melbourne in January 2026. Over 150 students are expected to attend a packed program of employer presentations, industry stalls, and networking opportunities.

SPONSOR BENEFITS

- **Engage with Top Talent:** Connect with high-achieving honours, masters, and PhD students from universities across Australia.
- **Showcase Career Opportunities:** Promote your organisation's roles, graduate programs and pathways for mathematical science graduates.
- **Boost Brand Visibility:** Position your organisation as an employer of choice in the mathematical sciences community.
- **Build Connections with Future Leaders:** Develop relationships with the next generation of problem solvers, innovators, and analytical thinkers.
- **Access the Early Talent Pipeline:** Identify and engage with prospective hires before they enter the job market.

SUCCESS SNAPSHOT

AMSI Careers Day 2025 – Sydney

- **140 high achieving students** from 24 Australian and international universities
- **11 participating organisations** across quant trading, tech, defence, education, data consultancy, biotech, finance, economics and government.

AMSI Careers Day 2024 – Canberra

- **120 high achieving students** from 24 Australian and international universities.
- **10 participating organisations** across defence, quant trading, education, finance, economics and government.

AMSI Careers Day 2023 – Melbourne

- **170 high achieving students** from 23 Australian and international universities.
- **14 participating organisations** spanning defence, quant trading, education, space, research, energy, cosmetics, tech, medical, finance, economics and government.

SPONSORSHIP PACKAGES

CAREERS DAY PRESENTATION & STALL – \$5000 GST inclusive

- **Speaking slot (5 minutes):** Share your organisation's career pathways, highlight projects or research for maths graduates would work on, and invite students to engage further at your stall.
- **Dedicated stall:** Direct interaction with students, with the option to include giveaways, email sign ups or interactive activities.
- **Brand visibility:** Logo, link, and short company profile included on the Careers Day website.

TAILORED SPONSORSHIP

- Talk to us about a customised Careers Day and/or AMSI Summer School sponsorship package to align with your organisation's goals and budget.

Why AMSI?

As the peak body for the mathematical sciences in Australia, AMSI connects you with a national network of high-achieving students and graduates from 27 member universities.

Join the growing list of organisations that have benefited from participating in AMSI Careers Day

"Many students were eager to understand the ways we apply mathematics and statistics in our day-to-day jobs and expressed interest in applying for roles at the ABS." – **Tiernan Byrne, Australian Bureau of Statistics**

"EdgeRed was proud to participate, enhancing our brand and demonstrating how data analytics offers a cool and fulfilling avenue to apply mathematical skills in today's world." – **William Prentice, EdgeRed**
