# A CULTURE THAT FUELS IMPACT

At IMC, we're proud of our performance-driven, collaborative work culture. It's what drives teamwork and innovation, which ultimately delivers success for our firm. We hire top talent, and give them everything they need to perform at their best.

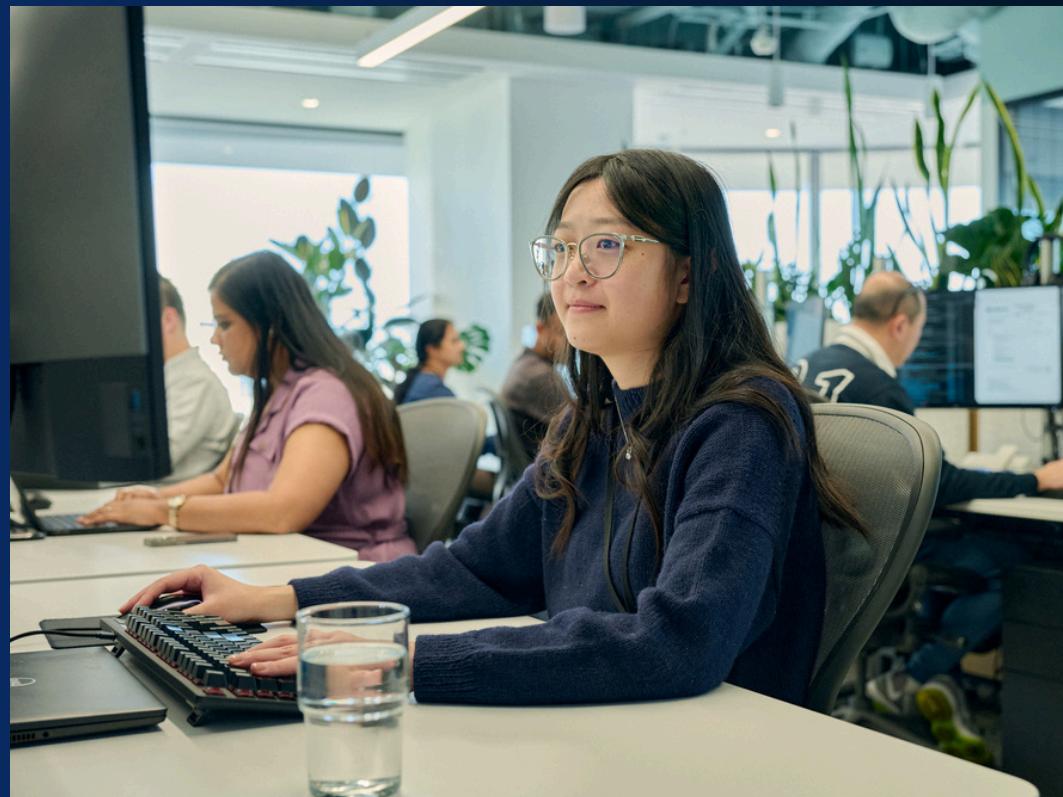

## OUR PROGRAMS

### 3-DAY LAUNCHPAD (SPRING 2026)

Designed for ambitious first- and second-year university students - top performers receive offers for our summer internships.

### 10-WEEK INTERNSHIPS (SUMMER 2026/2027)

Designed for high-performing penultimate-year students, where top interns may receive a direct graduate offer. Applications usually close in May, but we review on a rolling basis, so apply early.

## IF YOU GROW, WE GROW

No prior experience in trading or finance? Don't let that stop you. At IMC, we recruit exceptional people with curious and analytical minds. We equip them with world-class training and tools, and then bring our collective intellect together to drive our business forward.

## HOW IMC STARTED

IMC is a global trading firm powered by a cutting-edge research environment and a world-class technology backbone. Since 1989, we've been a stabilising force in financial markets, providing essential liquidity upon which market participants depend.

From Amsterdam to Sydney, Hong Kong to Chicago, our talented quant researchers, engineers, traders, and business operations professionals are united by our uniquely collaborative, high-performance culture, and our commitment to giving back.

From entering dynamic new markets to embracing disruptive technologies, and from developing an innovative research environment to diversifying our trading strategies, we dare to continuously innovate and collaborate to succeed.
